To give a meaningful end in 7 minutes, teacher delivers a discussion about the subject with a partner regarding habits or hobbies' do's and don'ts.

Educator suggests the hobbies to make students recommend behaviours that might complement the dos and don't complement for a specific task. Then, teacher says the learners to gear up their script as well as enabling them to complete it adequately with words and/or concepts.

Possible prompts:

Speaker A: What are the do's and don't's of jewellery making?

Speaker B: Join a club, find people with similar interests I consider you ought to...
